Principal's Message

Dr.G.Sreenivasula Reddy

M.Tech, Ph.D, MISTE

DearAll,

Technical Education is the backbone of every nation and is the stepping stone for a country to move into the niche of a developed nation. It gives me immense pleasure to welcome you to the creative world of CBIT which has very eco-friendly campus and is equipped with state-of-art infrastructure. We have well equipped labs, workshops and libraries to help students in attaining highest standards in academics, research and professional skills. The campus has adequate sports infrastructure to take care of Sports and recreational activities. Creating better human beings' is our motto and we can do that when we are able to mould our students to be good human beings with values which are embedded for life. We aim to provide an overall development that nurtures them towards becoming strong and focused human beings. The main focus of the Institution is to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. The infrastructure facilities and state-of-the-art equipments combined with a galaxy of competent, talented and dedicated faculty contribute to an enjoyable and an easy learning experience.

YOUR'S TRULY

Dr.G.Sreenivasula Reddy

Principal

Decisions of IQAC approved by the management/authorities:

The following decisions of the IQAC have been approved by the management/authorities, such as:

- Formation of IQAC cell in every department.
- Both internal and external staff development program.
- More fund for conducting workshops, seminars and value added courses for Students.
- Institutional tie-up.
- Consultancy.
- Permanent affiliation.

Students and alumni contribution for effective functioning of the IQAC:

- IQAC Chairman Dr.P.Ravi, Department of H&S has taken the initiative to strengthen the IQAC cell by planning and conducting regular interval meetings, sending information to different departments for institutional tie-up, improving the number of activities of the departments through motivational and suggestive measures.
- The institution always makes sure that the decisions based on the findings of the IQAC are fully adhered to.
- The academic as well as the administrative working is further smoothened by conducting time to time training sessions for the teaching and non-teaching staff of the college.
- Teachers are advised to monitor the workflow of the competitive colleges and thereby to improve their inter personnel skills.

IQAC communication with the Departments:

IQAC consists of members from different departments of the institution and the decisions are communicated to all the staff members concerned, through the circulars and notices etc.
